

LITIGATION LANGUAGE SOLUTIONS

WHO WE ARE

Park IP Translations, a Welocalize company, provides translation, litigation and filing solutions for patent and legal professionals. We protect our clients' most valued assets and global brands in nearly every jurisdiction in the world. We provide complete translation services in more than 157+ languages and filing-ready documentation into more than 60 countries.

We are a leader in patent prosecution and validation, litigation language services, E-Discovery translation and document review, patent translation and filing. We also provide general legal services for all types of corporate and legal documents. Park IP delivers the highest quality translation as a result of our ISO 9001:2008 certification. www.parkip.com

DIFFERENTIATORS

People: Park IP has highly-skilled doctorate and master-level linguists to customize our domain-specific MT engines to ensure a higher quality output in comparison to a non-trained generic free online solutions.

Process: We focus on quality. Our ISO 9001:2008 certified process streamlines predictable and repeatable process, which results in a timely, accurate and defensible response.

Technology: Park IP has unmatched domain-specific, state of the art machine translation and analytical tools to allow for an informed coding decision during review, help speed reviews and maximize ROI.

Park IP Translations understands your litigation needs. We are translation and process experts and we serve global law firms, enterprises and legal professionals. We create defensible, tailored end-to-end human, machine plus human and machine hybrid translation solutions for all your legal and litigation requirements. We use and customize leading translation automation technology and our highly-skilled translators and post-editors of machine translated output.

ADVISE

Our goal is to work as your trusted partner to create efficiencies and drive down costs without compromising the integrity of the review process

ENHANCED MACHINE TRANSLATION

Domain-specific case customized MT
Leveraging expertise + speed of English speaking contract attorneys + in-house counsel
Immediate understanding of foreign language documents – days versus weeks

FIRST PASS REVIEW

Driving down cost + time of reviewing foreign language documents

HUMAN TRANSLATION

Subject matter experts, native language speakers + higher quality translation
Less expensive translation options through tiered levels of MT Post Editing
Quality control of MT through sampling review Certified translations as needed

SIX BENEFITS OF PARK LITIGATION LANGUAGE SOLUTIONS

1. Secure, confidential and scalable domain-specific customized machine translation solutions
2. Immediate understanding of corpus of foreign language documents
3. Translation completed in days versus weeks
4. Leverage expertise and speed of existing English speaking review team
5. Keeps first pass review at lower costs
6. Maintains quality decision-making

Whether you need certified human translations or enhanced machine translations for large foreign language datasets, Park IP Translations provides you the confidence to conduct all your legal translation work securely, cost-effectively, in an efficient and defensible manner.
