Employment

We provide translation in more than 125 languages for legal documents, forms and letters and legally-binding agreements for acceptance by courts and government agencies around the world. Our team is verse in the international requirements and translation for critical legal court filings in jurisdictions throughout the world, including summons and complaints, evidentiary and financial documents, judicial proceedings and foreign statutes.

We work with every client to create a customer-centric solution to meet all their legal translation requirements, no matter the language or type of legal content. Our flexible approach to service all our client's translation needs is supported by our rigid protocols in security, quality and service. When it comes to legal translation, we understand what it takes to deliver sensitive content on time, in budget and at exceptional quality standards. Our team project managers, in-country reviewers and native speaking translators are vetted through stringent testing and experience evaluations to ensure they have the skills and expertise for specialized work with law firms and corporations. It is part of our quality assurance process and enables us to meet our no tolerance for error approach in delivering the highest quality legal translation.

We apply the same **ISO 9001:2008 Certified quality process** and workflow management to all our general legal translations services for maximizing efficiencies and on-time delivery.
