# The Leader in International Patent Prosecution and Litigation Language Services

## legal translation expertise

### Prosecution

We recognize the value represented by your IP and thus the corresponding need for the highest quality translations for patent prosecution in non-English speaking jurisdictions, **IP patent and trademark translation**, IP document reviews and support to **protect your brand and global assets**. Park has extensive experience in the **patent prosecution** space having handled tens of thousands of cases, many on a rush basis.

Our international team of linguists and industry experts partner with you to provide experienced consultancy and services. The depth of knowledge we maintain regarding any international jurisdiction serves as a dynamic advantage for our clients and allows us to be relied upon as international filing experts.

### Litigation

Park IP Translations understands your litigation needs. We are translation and process experts and we serve global law firms, enterprises and legal professionals.

We create defensible, tailored end-to-end human, machine plus human and machine hybrid translation solutions for all your legal and litigation requirements. We use and customize leading translation automation technology and our highly-skilled translators and post-editors of machine translated output.

### General

We have extensive capabilities and expertise delivering translations in connection with a wide range of legal documents and materials including arbitration, human resource, government and compliance, **employment agreements**, contracts, licensing activities, IP enforcement activities, **immigration**, opinion work, **contracts for professional services** and more.

We provide translation in more than 125 languages for legal documents, forms and letters and legally-binding agreements for acceptance by courts and government agencies around the world. Our team is verse in the international requirements and translation for critical legal court filings in jurisdictions throughout the world, including summons and complaints, evidentiary and financial documents, judicial proceedings and foreign statutes.

### Filing

Park IP provides "Filing-Ready" translations for **foreign patent applications** around the world. A pioneer in the patent translation industry, Park IP coordinates a specialized, ISO 9001:2008 certified process in support of AM Law 100 Firms and Fortune 500 Companies for foreign filings.

Clients routinely depend on Park to execute the translation of key patents for the purpose of filing abroad. Our experience and capabilities ensure the highest quality services, deadline compliance and value for all foreign filings.
